**Héritage Transatlantique - Works for Harp**  
Anne-Sophie Bertrand

<b>ARS38333</b>	<b>1 SACD hybrid</b>
<b>01S</b>	<b>2021</b>

The programme tells of the European-American musical exchange at the beginning of the 20th century. Through concert tours and emigration across the Atlantic, some of the composers presented here experienced completely new musical impressions or remembered traditional themes of their homeland. Harpist Anne-Sophie Bertrand presents the most diverse facets of this music.
