When children are waiting for Christmas during the most beautiful time of the year, Christmas carols shouldn't be missing, of course. After all, the time until Christmas passes much faster with melodies to listen to and sing along to! With the **Ulmer Spatzen Choir** and the children's choir **SingsalaSing**, you can sing along with popular classics such as *Macht hoch die Tür*, *Dicke rote Kerzen* or *Kling, Glöckchen*. A highlight are the 3 Quodlibets, where different Christmas carols are sung at the same time. Who hits or holds the right melody here?
