Pianist Jeffrey LaDeur's artistry has been hailed by *Gramophone* Magazine for its "...understatement, simplicity and 'old school' chord playing where every note sings out with meaning." Critic Henry Fogel wrote "...LaDeur's ability to spin out a cantabile line makes one forget that the piano is actually a percussive instrument." LaDeur is the founder and artistic director of the San Francisco International Piano Festival, and president of the American Liszt Society, San Francisco Bay Area Chapter. *An Artist's Journey* is his debut recording on Music & Arts.

Featuring Franz Liszt's *Première Année: Suisse*—the first of three suites forming his *Années de pèlerinage* (Years of Pilgrimage)—and transcription of Wagner's *Pilgrim's Chorus from Tannhäuser*, *An Artist's Journey* explores a landscape of self-reflection that traces Liszt's journey inward. Great literary spirits guide the composer, and Nature mirrors his soul, reflecting the realm within from without.
